ANNUAL SOCIO-CULTURAL LITERARY & SPORTS FEST

DECEMBER 13TH-20TH, 2026

DR. RMLIMS

The legacy called

ESPERANZA

ANNUAL SOCIO-CULTURAL & SPORTS FEST

ESPERANZA, the spirit of hope, is the electrifying pulse of student life here at Dr. RMLIMS.

Envisioned, created, and managed entirely by MBBS students, this festival is far more than an event—it is the foundation of a legacy that seeks to unite thousands of medical students, alumni, and delegates in a shared celebration of talent, sportsmanship, and creativity.

What began in 2021 as a dynamic campus initiative continues to evolve into a vibrant plethora of competitions, exhibitions and performances. Year after year, ESPERANZA transforms the RMLIMS campus into a beacon of joy and fun.

ESPERANZA: Imagination to Infinity— The 6th Edition

- **Seven Unforgettable Days:** An extended week filled with non-stop excitement, camaraderie, and high-energy entertainment.
- **Comprehensive Showcase:** A diverse spectrum of events spanning high-intensity sports tournaments, intellectually charged literary debates, intricate fine arts displays, and dazzling cultural stage performances.
- **Dynamic Gathering:** Bringing together aspiring healthcare professionals from diverse backgrounds to showcase their multifaceted talents beyond the wards.

During ESPERANZA, the entire RMLIMS campus comes alive. From roaring sports grounds and packed halls hosting intense debates to open-air stages pulsing with music late into the night, creativity flourishes and lifelong friendships are forged in every beat.

"SEVEN days, one beat, a billion memories— and imagination to infinity and beyond."

Who we are

ABOUT DR RMLIMS

Dr Ram Manohar Lohia Institute of Medical Sciences is a super specialty autonomous medical teaching institute established by the State Government of Uttar Pradesh. The Director of our esteemed Institute is Hon'ble Prof. CM Singh sir and the Dean of our institute is respected Prof. Rajan Bhatnagar Sir. We're located at Vibhuti Khand, Gomti Nagar, Lucknow. The hospital affiliated with the institute provides advanced services and treatment modalities across various super speciality disciplines. It also offers teaching facilities in multiple fields, providing both specialty and super specialty medical and paramedical courses. It serves as a reference centre for the population of Lucknow and adjoining districts, as well as the eastern belt of Uttar Pradesh.

The teaching Institute of Dr RMLIMS for undergraduate studies was founded in 2017 and has since risen to become one among the top institutes of the state.

FROM THE ORGANISERS' DESK

Over the last few years, Esperanza has evolved to take the space of so much more than just a fest. It is months of our hard work and devotion, yes, but it is also a testament to what memories we form and connections we forge as we embark on this journey of organisation, in a much similar way our participants forge lifelong friendships and moments that replay for decades.

We invite you to share this very special joy with us— the joy of creation of something beautiful. Come and make something— with your voice, or your hands, or your pen, and together we shall make this fest into something greater than the sum of its parts.

Try something new, or rekindle your love for something old. Either way, we look forward to seeing you and getting to share with you this timeless experience.

Awaiting your presence,
Organising Committee
